I WILL

Pursue only the highest quality work in all my projects, and strive to look for innovative and creative solutions.

Adapt quickly to office environments and become a valued member of your team.

I AM

A professionally-trained designer, animator and musician.

Energetic, creative and passionate.

Hard-working and efficient.

Knowledgeable in most computer operations: graphic design, publishing, filmmaking, 3D animation, web development and computer programming.

Up-to-date with the latest standards and trends in business and technology.
